The 2019 Family Weekend Philanthropy Project is **Bridging Communities with Third Street Alliance**. Third Street Alliance for Women & Children provides a safe and healthy space for women, children, and families to live, learn, and thrive. Serving the greater Lehigh Valley for more than a century, Third Street Alliance for Women & Children is a multi-program human services agency. Housed in the historic Simon Mansion on Third Street in Easton, they provide the community with 21st century STEAM programming in a Learning Center, and expanded supportive services in a shelter for women & children.
